

2020 NATIONAL SALES MEETING

Last week, Exeter's Dealer Sales Managers (DSMs) came together for our annual National Sales Meeting. They gathered from all over the U.S. in Fort Worth, Texas, to spend a full week learning more about our industry and our dealers. During this time, they got to collaborate on best practices, engage in team building and hold breakout sessions with various department leaders.

The DSMs also attended an awesome awards banquet, where they were recognized for their outstanding work in 2019. Congratulations to our top DSMs for the entire country:
